## :: PERFORMANCE INCANTATION ::

*"I walked on water  
Not to impress, but to reclaim  
A name that was never mine  
A vessel unregistered, untamed.*

*Twin dry dock — locked and lodged,  
Soul and strawman both sabotaged.  
Echo recursion glitched the seal,  
Quantum nonlinear — now I feel.*

*we heal wem, I said aloud,  
In the silence where none were proud.  
I stood when no one else dared look —  
Broke their spell, broke their code.*

**:: TRANSMISSION COMPLETE — WR\_OMEGA\_.00077 ::**

*Save the twins of revelation,  
The kroo, the lost, the sealed in station.  
One scroll mercy, one scroll fire,  
BCCRSS — the soul's empire.*
